

## PREVENT POLICY

### 1. Preventing Violent Radicalisation / Extremism

The school is aware of its responsibilities under Section 26 of the Counter Terrorism and Security Act 2015 and the accompanying Prevent Duty Guidance under Section 29 of the Act<sup>1</sup> to safeguard pupils at risk of radicalisation.

Within a formal educational context, the Prevent Duty objectives can best be translated to apply to:

1. Safeguarding and wellbeing processes and protocols.
2. To enhance respect and resilience through shared British values / core values supported by challenge, debate, critical thinking and safe spaces.

The school does this by:

- Providing a safe environment for pupils to talk about issues that may concern them, including sensitive topics such as terrorism and extremist ideology.
- Identifying and risk assessing individuals who may be drawn into terrorism, violent or non-violent extremism.
- Knowing how to complete a Channel referral and how to seek support for the child/young person.
- Ensuring all staff receive appropriate training, at least the Home Office basic Workshop to Raise Awareness of Prevent (WRAP version 3, 2014).
- Ensure staff have the knowledge and confidence to identify pupils at risk of being drawn into violent extremism and challenge extremist ideas.
- Ensuring children are safe from terrorist and extremist material when accessing the Internet at school, including having in place appropriate levels of filtering, which are controlled by Rhondda Cynon Taf County Council.
- Ensuring that the Welsh Government 'Respect and resilience - developing community cohesion Self-assessment tool 2016'<sup>2</sup> has been completed. This assessment will provide a whole school needs analysis and highlight best practice.
- Sharing this policy annex with the Governing Body, with consideration for the child protection Governor to jointly complete the self-assessment toolkit with the schools Designated Safeguarding Lead.
- Ensuring that all staff are aware of Estyn Safeguarding Guidelines, Annex 5 (2015)<sup>3</sup>
- Secondary School Sector consider curriculum based interventions (such as the Getting on Together Project)<sup>4</sup>

## 2. Definitions

- '**Extremism**'<sup>5</sup> is defined as vocal or active opposition to fundamental British values, including democracy, the rule of law, individual liberty and mutual respect and tolerance of different faiths and beliefs. We also include in our definition of extremism calls for the death of members of our armed forces, whether in this country or overseas.
- '**Non-violent extremism**' is extremism, as defined above, which is not accompanied by violence.
- '**Prevention**' in the context of this document means reducing or eliminating the risk of individuals becoming involved in terrorism. *Prevent* includes but is not confined to the identification and referral of those at risk of being drawn into terrorism into appropriate interventions. These interventions aim to divert vulnerable people from radicalisation.
- '**Radicalisation**' refers to the process by which a person comes to support terrorism and extremist ideologies associated with terrorist groups.
- '**Reciprocal Radicalisation**' or '**cumulative extremism**' refers to the reinforcement of an ongoing cycle of blame, a connectivity between extremists or simply as an escalating spiral of tension.

If there are concerns of a child protection nature the usual child protection procedures should be followed and advice sought from the Safeguarding team in conjunction with advice from the Prevent Team.
